

**Mr. Sun-Kyo Chung** was born and raised in Seoul, South Korea. He values social impact, diversity, and healthy cities. He has lived and worked in different parts of the globe including Europe, the Middle East, North Africa, Oceania, North America, and Asia. His interests lie in urban/regional development, cooperation of social responsibility, and healthier cities for urbanites. Beginning in August, 2016, Mr. Chung will continue his education in an M.S. in Regional Science at Cornell University in Ithaca, New York. Mr. Chung also introduced the International project of Walk with Doc to Korea and he will coordinate the project of Korea Walk with Doc in the Center for Lifestyle Medicine and Wellness Care.
